How to find us when you are in 'Harefields'

Once on 'Harefields', continue for approximately 100 metres until you come to a left-hand bend in the road. To your right you will see our metal gates. By train

Oxford station is situated to the south west of the city centre. It is too far from our office to walk. The easiest way to get to OPP is to take a taxi at a cost of about £10.00. If you prefer, you could walk ten minutes into the city centre and take a bus (see below).

By bus

From Heathrow or Gatwick

From the central coach station at either airport, there are regular services to and from Oxford.

The coaches arrive in the city centre at Gloucester Green Bus Station. From there, you can take a taxi to the offices, which will cost approximately £9.00, or take a bus (see below).

From the city centre

From the city centre in Magdalen Street, you can take either a Stagecoach (blue, white and orange) number 7, or an Oxford Bus Company (red) number 2.

The journey takes approximately 15 minutes. Ask for the first stop past the Cutteslowe Roundabout. The offices are approximately five minutes' walk from the bus stop. Cross over the road and walk down 'Harefields' (almost opposite the bus stop) until you reach an entrance on the right with metal gates, and a sign marked 'OPP Ltd Elsfield Hall'. Come through the metal gates and follow the drive round to the right. The main entrance is at the front of the building, overlooking the bypass.
